

BUTTERFLY, BUTTERFLY

Butterfly, butterfly
fly in the sky
butterfly, butterfly
flies so high
butterfly, butterfly
lands on my thigh
butterfly, butterfly
motionlessly lies
butterfly, butterfly
gracefully dies

THE SUN

The sun is here
I am for the sun.

The sun is the presiding deity of
eyes
Light of the sight is His.

The sun is the preceptor of the
ancestors.

The sun transcends the limit of
time.

The sun illumines the whole world.

The sun has no power to illumine
you.

O my dear, I am with you
In the sun Your light is reflected.

I am here the sun is for me.
