THANK YOU GOD

When God opened the windows of the heaven he asked me!

- -- What is your wish today? --
- -- I said, please take care all the person
- -- Don't worry I'll do .--
- -- Could I ask you another wish God -
- -- Sure, remember that you are my son, and I'm you father --
- -- Please take care of my family and my friends --
- -- You know, everything you ask in my name my son, I'will do it.-
- -- Thanks you God.-
